

Name: _____ Student ID Number: _____ Grade: _____

Teacher: _____ School: _____ Date: _____

Use pictures, words and equations to show your work. Mark (X) off each one as you use it.

 PICTURES  WORDS  NUMBERS

License Plates

On a recent car trip we looked for license plates that had 3 digits on them.

Show all of the license plates that we could find that had numbers that added up to 6.

Explain all of your work using pictures, words and numbers.
