

Name: _____ Student ID Number: _____ Grade: _____

Teacher: _____ School: _____ Date: _____

Use pictures, words and equations to show your work. Mark (X) off each one as you use it.

 PICTURES  WORDS  NUMBERS

Sink or Float

Which objects do you think will float? Which objects do you think will sink?

Be sure to make predictions and categorize the objects that float and the objects that sink.

What do you think they have in common?
How are they different?
