BLOWING UP BALLOONS

Tom told Mrs. Green that he would blow up the whole bag of balloons needed for the class party.

It took Tom 12 seconds to blow up the first balloon in the bag.

It took Tom 10 seconds to blow up the second balloon, 8 seconds to blow up the third balloon, and so on.

It took Tom 4 second to blow up the last balloon in the bag.

How many balloons were in the bag?
