A. How do I analyze AIP eligibility for my current students?

1. From your home page click on the ‘Reports’ icon.
2. From the ‘Student Performance’ page, click on the ‘Student Analysis’ tab.

AIP eligibility for 1st grade only is determined by Fall 2014-15 Performance Level scores.
Math: Pending district decision for assessment process and/or procedure.
AIP eligibility guidelines will be determined by September 12, 2014.
Reading DIBELS Composite score for students who score 96 or below.

Information included on the report: Spring 2013-14 DRA2 and Math PIA Performance Levels

Information included on the report: Spring 2013-14 Reading and Math SBA Performance Levels

Information included on the report: Spring 2014 Reading and Math SBA and RIA Performance Levels
AIMS Essentials - Three Clicks to an AIP Eligibility Report

4. An alphabetical list of your current students and the Performance Levels on the specified assessments appears.

5. To ‘Sort’ the list from low to high level or score, simply click on the column heading for the scores of interest and AIMS will automatically rearrange the list.
